- Developmental
- Continually evaluated and responsive to data

We envision advisors who are:

- Knowledgeable
- Accessible and approachable
- Caring and responsive

We envision advisees who are:

- Aware of resources regarding campus policies and procedures

Following admission to NDSU, each student is assigned an advisor from the college or department in which the student is majoring. If a major has not been declared, an assignment is made with an undeclared advisor in the Career and Advising Center (<https://career-advising.ndsu.edu/>). Advisors assist students in selecting courses to ensure a balanced education and they help interpret university and college policies and requirements. However, students are responsible for their academic decisions and meeting all program requirements including the selection of courses, meeting course requisites (co-requisites/prerequisites), and adhering to policies, procedures, and deadlines. Students are encouraged to see their advisor prior to registration and to consult the university Catalog for all degree program requirements. Students with advisor holds are required to meet with their advisors before the hold is lifted. Advisor assignments and holds can be viewed on Campus Connection.

Bison Advise (<https://career-advising.ndsu.edu/bisonadvise/>) is an interactive advising and planning tool for students and advisors to plan a path to graduation and schedule and track academic advising interactions. The planning tool within Bison Advise works alongside the Academic Requirements Report (<https://www.ndsu.edu/onestop/viewing-academic-requirement-report/>) within Campus Connection, so students can plan their class schedules, remaining requirements, and set academic and career goals to discuss with their academic advisor.

Each academic is assigned a Degree and Records Analyst (<https://www.ndsu.edu/registrar/office/analysts/>) from the Office of Registration and Records. This analyst serves as the primary contact for verifying undergraduate graduation requirements and provides support to advisors working with undergraduate and pharmacy students.
