Mechanical Engineering Masters

Department Information

· Department Web Site:

ndsu.edu/me/ (http://ndsu.edu/me/)

· Application Deadline:

February 15 for fall semester; September 15 for spring semester. Applications received after the deadline will still be considered, but preference is given to those submitted by the deadline.

· Credential Offered:

M.S.; M.Engr

· Test Requirement:

GRE recommended

· English Proficiency Requirements:

TOEFL iBT 71, IELTS 6; Duolingo 105

· Program Overview:

ndsu.edu/programs/graduate/mechanical-engineering (http://ndsu.edu/programs/graduate/mechanical-engineering/)

ME 898 Continuing Enrollment

Total Credits 33

¹Students can choose to take 9 credits of research provided they have at least one published journal article. This reduces the coursework by one class (3 credits).

²ME 898 is a lower cost option for students who have completed their defense and still need to finish writing their thesis/paper. International students may not be eligible for this credit and should check with the International Office for guidance.

In addition to the 30 credits of Master's coursework, students are required to enroll in the department's graduate seminar series, ME 790 (not
exceeding three semesters).

Admission and Application Requirements

Graduate School admission and application requirements are found on the Admission Information (http://catalog.ndsu.edu/graduate/admission-information/) page. In addition to these requirements, the following are also required:

- · Baccalaureate degree in Mechanical Engineering or a closely related field.
- International students must provide both GRE general test scores and language test scores such as Duolingo, TOEFL, or IELTS.
 Minimum requirement for admission consideration are 105 for Duolingo, 71 for TOEFL ibT, or 6.0 for IELTS score, and a 300 on the GRE (combined quantitative and verbal) with a minimum quantitative score of 155.
