Degree Requirements and Notes

- All courses for the pre-major and major require a grade of C or better.
- Students must earn a 2.50 institutional cumulative GPA to be admitted into the accounting major and to graduate with a degree.
- Students follow the published curricula for the accounting program of study from the semester/year of entrance in the College of Business to graduation provided enrollment at NDSU has not been discontinued for more than one year. Students who change their major are subject to meeting the curricular requirements in effect at the time the new major is declared.
- The CoB accepts a maximum of up to (but not including) 50% of upper-division (300-level and 400-level) business courses¹ required for degree completion, with a minimum grade of C². All transfer courses are subject to approval by the course discipline chair or designated representative.
 - ¹Defined as courses with the following prefixes: ACCT, BUSN, ENTR, FIN, MGMT, MIS, MRKT, SCM
 - ²Credits that do not qualify for degree completion will still be accepted as general credits towards graduation, within the restrictions defined by university policy.
- A letter grade must be earned in any course that fulfills a major requirement (with the exception of some practicum options).
- Students must be accepted to the accounting major prior to the completion of the last 30 credits in 300 and 400 level CoB courses.
- Of the credits completed in residence at least 30 credits must be in 300-400 level CoB courses.
- Students are not eligible to pursue a Business Administration minor with this major.
- For multiple majors within the CoB, at least 15 unique credits of 300-400 level CoB courses must exist between the majors.
