### Degree Requirements and Notes:

- Students follow the published curricula for the supply chain management program of study from the semester/year of entrance in the College of Business to graduation provided enrollment at NDSU has not been discontinued for more than one year.
- Students who change their major are subject to meeting the curricular requirements in effect at the time the new major is declared.
- Admission into the supply chain management major is required to enroll in the advanced 300 or 400 level supply chain courses in the CoB.
- A letter grade must be earned in any course that fulfills a major requirement (with the exception of some practicum options).
- Students must be accepted to the supply chain management major prior to the completion of the last 30 credits in 300 and 400 level CoB courses.
- A Business Administration minor is NOT offered with this major. For multiple majors within the CoB, at least 15 unique credits of 300-400 level CoB courses must exist between the majors.
