

Conditional Standing for Accelerated Students

2.3. Conditional Standing for Accelerated Students

All accelerated students are admitted conditionally, with the condition that they must complete their Bachelor's degree prior to full standing admission to a graduate program. Some students may have additional conditions on their admission (see Conditional Standing (<https://catalog.ndsu.edu/graduate/admission-status/conditional/>)).

- Accelerated degree programs may allow students to earn up to half of their required graduate credits while in conditional status.
- Graduate credits earned beyond 15 while in conditional status may not be eligible for undergraduate financial aid and will be charged at the graduate tuition rate.

See Accelerated Degree Programs page (<https://catalog.ndsu.edu/academic-policies/degree-and-graduation/#accelerateddegreeprogramsugrtdtogradtext>) for more information.
