

Supervisory Committee

6.1. Master's Committees

Plan A and Plan B

The supervisory committee will have at least three members. The members consist of:

- The major advisor, who must be a full or affiliate member of the graduate faculty Level 1 or Level 2, will be the committee chair.
- A second member, who must be a full or affiliate member of the graduate faculty. The second member may serve as co-adviser on the supervisory committee. The co-chair designation implies equally shared responsibilities in guiding the student through to degree completion.
- A third member, who could be either a full member of the graduate faculty from outside the advisor's home department or a qualified off campus expert in the field.
 - The external member cannot be an affiliate graduate faculty member of the advisor's home department/program.
 - See External Member Requirements (p.)

Plan C

The student's advisor must be a full or affiliate member of the graduate faculty. If the program does require students in this option to form a supervisory committee, all members must be a full or affiliate member of the graduate faculty.
