

Graduate Assistantship Tuition Waivers

15.1. Graduate Assistantship Tuition Rate

The ND in-state tuition rate (called GA Tuition Rate) will be charged to all students hired as a Graduate Assistant (GA) working 10 hours or more per week and/or 160 hours per semester regardless of any waiver.

Students eligible for multiple tuition waivers will receive the waiver resulting in the most tuition being waived. The tuition rate may be adjusted in the awarding process if a NDSU tuition waiver other than the graduate assistantship tuition waiver is awarded.
