Social Science Major

A special interdisciplinary Social Science major is available. It includes courses from disciplines such as history, economics, political science, geography, psychology, sociology, or anthropology. Students can obtain the appropriate curriculum guides from the School of Education (<http://www.ndsu.edu/education>), Office of Registration and Records (<http://www.ndsu.edu/bulletin/offices/registrar>), or the Arts, Humanities and Social Sciences Dean's Office (http://www.ndsu.edu/ahss/contact_us).

Before taking advanced course work required for the Social Science major, the student should complete at least one year in each of the required disciplines. In addition, students should complete course work in economics and world history.

Students who wish to prepare for high school teaching should make this intention known to the School of Education before entering their junior year to ensure that state teacher certification requirements are met.
