

Management

Management Major

The Management major is designed to provide students with the analytical and conceptual background necessary for effective management of businesses and other organizations. Students develop expertise in the major sub-areas of organizational behavior, production and operations management, human resources, and strategy. Students with management majors find employment in all types of profit and non-profit organizations. Students pursuing a Management major may also choose the Human Resource Management track.

Human Resource Management Track

The Human Resource Management track provides students with the knowledge and skills necessary to effectively serve in a Human Resource Management position. Students obtain knowledge in the legal environment of employment, job analysis, recruitment and selection, performance appraisals, compensation, training and labor relations.
