

# Honors (HON)

---

**HON 151. Sapient Logic. 3 Credits.**

This is a first year seminar for students in the honors program. In this course students examine human thought and imagination from various perspectives, including philosophy, history, literature, religion, science, and art. Students confront the limits of their own personal knowledge and the limits of our collective knowledge as a species. In so doing, students must also consider how we come to know things about our world.
