## Program Description

Extension Education offers graduate study leading to the M.S. and M.Ed. degrees. Specialized training in an area of interest is required.

## Admission Requirements

In addition to the Graduate School's required application materials, the program requires:

- 1) a statement of purpose that addresses the question, "How will this degree help me achieve my professional goals?"
- 2) a letter from a faculty member/specialist expressing their willingness and ability to mentor the candidate in their area of interest.

Admission is only considered after all required application materials have been received and reviewed.

This program requires completion of a minimum of 31 credits.
