## **Psychological Clinical Science**

## Department Information

· Department Chair:

Mark Nawrot, Ph.D.

· Department Location:

232 B2 Minard Hall

· Department Phone:

(701) 231-7065

· Department Web Site:

www.ndsu.edu/psychology/graduate\_programs/psychological\_clinical\_science/ (http://www.ndsu.edu/psychology/graduate\_programs/psychological\_clinical\_science/)

· Application Deadline:

We are currently not accepting applications into this program.

· Credential Offered:

Ph.D

· Test Requirement:

GRE

English Proficiency Requirements:

TOEFL ibT 100; IELTS 7

Students are required to gain a breadth of knowledge in the foundations of psychology through courses in biological, cognitive, and social bases of behavior. Course work in research methods and statistics, assessment, psychopathology, health, and interventions comprise the clinical portion of the curriculum.

Practicums at local hospitals, clinics, and mental health agencies provide supervised experience in service delivery and applied research. This is a full-time program and will take five years, including internship, to complete.

Code	Title	Credits	
<b>Evaluation and Intervention</b>		13	
Four courses cover content related t	o the history of clinical psychology, ethics, psychopathology, and current empirically supported		
approaches to assessment and treatment.			
PSYC 755	Empirically Supported Interventions I		
PSYC 756	Empirically Supported Interventions II
