Logistics Management Minor

Working in conjunction, the College of Business (<https://www.ndsu.edu/business/>), the Upper Great Plains Transportation Institute (<http://www.ugpti.org/>), and the Department of Agribusiness and Applied Economics (<http://www.ag.ndsu.edu/agecon/>) offer a minor in Logistics Management. Companies directly involved with transportation as well as companies in the retail and wholesale sectors increasingly rely on an effective and efficient logistics system to remain competitive. In addition, the public sector also utilizes individuals with logistics and supply chain management skills. Minimum GPA requirements apply to this minor. See Minor Requirements for further information.
