Non-Degree Seeking Admission

Special status is reserved for non-degree seeking students who wish to enroll in a limited number of courses at NDSU. Students are limited in the number of credits they can complete as a non-degree student and are not eligible for financial aid. Students currently enrolled at another college or university who plan to take limited coursework at NDSU with intention of transferring credits back to their home institution, but not earn an NDSU degree, should follow application procedures for non-degree student status.

Some courses are limited to students in select programs of study, in specified classifications (i.e., junior or senior status), or are restricted by prerequisite/corequisite coursework. Such information is listed in the course descriptions (<https://bulletin.ndsu.edu/course-catalog/descriptions/>) of the catalog or in the course search feature in the student information system, Campus Connection. If restrictions are placed on the courses in which you are interested in enrolling as a non-degree seeking student, permission to enroll may be sought through the academic department responsible for teaching the class.
