In addition to the **Graduate College requirements**, applicants must fulfill the program requirements listed below:

Software Engineering Certificate

1. Bachelor of Science (B.S.) or equivalent degree from an educational institution of recognized standing, including 12 semester hours or equivalent of Computer Science or Software Engineering courses from an educational institution of recognized standing, or at least one year full-time professional software engineering experience;
2. Programming skill in a modern higher level programming language, preferably C++, C#, or Java;
3. A 3.0 (on a 4.0 scale) GPA in previous coursework. Conditional admission may be given with a 2.85 or higher GPA and professional experience.

Master of Software Engineering

1. Bachelor of Science (B.S.) or equivalent degree from an educational institution of recognized standing, including 12 credit hours or equivalent of Computer Science or Software Engineering courses or at least one year full-time professional software engineering experience.;
2. Programming skill in a modern higher level programming language, preferably C++, C#, or Java;
3. GRE score is not required for admission.
4. International students must submit TOEFL, IELTS, PTE Academic score or Duolingo score. Minimum requirements are:
