catalog.ndsu.edu/undergraduate/program-curriculum/event-management/ (<http://catalog.ndsu.edu/undergraduate/program-curriculum/event-management/>)

The event and meeting industry is growing in North Dakota. This certificate program offers students quality, hands-on educational experiences to prepare for a career in the industry, and meet the growing need of the event and meeting professionals in the state. It will provide students with knowledge and experiences in planning, budgeting, marketing, and implementing conventions, meetings, and special events.
