[catalog.ndsu.edu/programs-study/undergraduate/geography/](http://catalog.ndsu.edu/programs-study/undergraduate/geography/) (<http://catalog.ndsu.edu/programs-study/undergraduate/geography/>)

## Minor Requirements

### Minor: Geography

Required Credits: 18

Code	Title	Credits
<b>Required Courses</b>		
All minor courses must be selected in consultation with a Department of Geosciences adviser.		18
<b>Total Credits</b>		<b>18</b>

### Minor Requirements and Notes

- A minimum of 8 credits must be taken at NDSU.
- The student and adviser will complete a substitution form with the courses to be used for the geography minor. This form will also require the signature of the department chairperson before being submitted to the Office of Registration and Records for verification of minor program completion.
- Note: This minor will not be available for view in the Student Advisement/Requirement Report in Campus Connection until the substitution form has been received and processed.
