Continuing Enrollment, 1-9

Intended for graduate students who have completed all necessary credits of course work including thesis (798) and dissertation (899) on their approved Plan of Study, but who have not yet completed and submitted their thesis or dissertation. The number of credits should be determined in consultation with the student's advisor and reflect both the proportion of time devoted by the student to academic study during the term and the student's enrollment status. Master's student may enroll in two fall/spring semesters of Continuing Enrollment. Doctoral students may enroll in up to four fall/spring semesters of Continuing Enrollment. Continuing Enrollment credits may be used to define the student's enrollment status (full-time, part-time, and for disquisition deposition) but do not count towards the requirements for the degree and are not financial aid eligible. The fee for Continuing Enrollment (898) is not eligible for a waiver. International Students must work with the International Student and Study Abroad Services office to ensure their eligibility before enrolling in these Continuing Enrollment credits. Graded 'S' or 'U'. Requires departmental approval.
