 (p. 7)

These program of study pages provide a summary overview of NDSU's various undergraduate majors, minors and certificate programs. Majors include a sample program guide for a 4-year program. The sample program guide is an informal curriculum offering a suggested sequence of courses by semester. Sample program guides are intended to be flexible based on a number of individual student factors and should never replace the official curriculum. A link to the official curriculum is included in each overview.

M=Major; m=minor; C=Certificate; CC= Certificate of Completion; D=Dual major; 2nd=Second Major only; A=Accelerated; OM=Online Major; Om=Online Minor; OC=Online Certificate
