

# Undergraduate Classification

---

Undergraduate degree-seeking students are classified according to the total number of credits earned.

| Classification | Completed Credits |
|----------------|-------------------|
| Freshman       | 0 - 26            |
| Sophomore      | 27 - 59           |
| Junior         | 60 - 89           |
| Senior         | 90 or more        |

## Undergraduate Non-degree Student

A non-degree student is defined as either:

- A student formally admitted to the university but not currently seeking a degree.
- A student who has not completed the formal admission application (these students may take a maximum of 15 undergraduate credits).

All non-degree students are ineligible for financial aid and are subject to academic standing at the end of each semester.
