## Application Process

1. Apply online through ATCAS: <https://atcas.liaisoncas.com/applicant-ux/#/login>.
2. After creating your account, select the NDSU MATrg. program.
3. Follow steps to pay the \$35 NDSU application fee.

*Application submission does not constitute acceptance into the program nor is acceptance guaranteed simply upon completion of requirements. Only completed applications will be reviewed. Admission requirements are weighted. Overall GPA and interview performance carry the major percentage of the weighting process. Exceptions to the requirements can be made on recommendation by the MATrg Application Committee.*

## Admission Acceptance/Denial into the MATrg:

The MATrg application process is a competitive process. A committee reviews completed graduate school applications and selects applicants to interview. The committee will set up a time with the student to complete the interview process (web-based or in person). Students will be notified by the NDSU Graduate School regarding formal MATrg program status. All NDSU Graduate School Policies will be followed accordingly.
