Civil and Environmental Engineering

Department Information

- **Interim Department Chair:** Xuefeng (Michael) Chu, Ph.D., F.EWRI
- **Graduate Program Coordinator:** Kalpana Katti, Ph.D.
- **Department Location:** 201 Civil and Industrial Engineering Bldg.
- **Department Phone:** (701) 231-7244
- **Department Web Site:** www.ndsu.edu/cee/ (http://www.ndsu.edu/cee/)
- **Application Deadline:** February 15 for fall admission; September 15 for spring admission
- **Credential Offered:** Ph.D., M.S.
- **English Proficiency Requirements:** TOEFL iBT 71, IELTS 6; Duolingo 100

Program Description

The Department of Civil, Construction and Environmental Engineering offers the M.S. and Ph.D. degrees in civil engineering and the M.S. degree in environmental engineering. Also, the College of Engineering offers a program leading to a Ph.D. degree in engineering in which civil engineering is a possible area of specialization. The department also participates in several interdisciplinary programs such as Environmental and Conservation Sciences, Materials & Nanotechnology and Transportation and Logistics.

Specialty areas in the M.S. and Ph.D. degrees in civil engineering include construction, environmental, geotechnical, materials, structural, transportation, and water resources engineering. Other related areas are also accommodated. The academic and research foci are tailored to individual needs and interests. To complement the major area of study, additional courses are often selected from other disciplines. The programs are designed to advance the technical knowledge, competence, and interdisciplinary understanding of the students and to prepare them for entering or advancing within the civil engineering profession.
