Banks are the lifeblood of the economy. Today's commercial banks are more diverse than ever. Therefore there is a tremendous range of employment opportunities in this sector, starting at the branch level as a bank teller to a wide variety of other positions such as the credit analyst, personal banker, loan officer, mortgage originator, and so forth. As of January 2019, a total of 68,593 nationwide banking jobs are available on indeed.com (993 jobs in Minneapolis and 173 jobs in ND). Banks are actively recruiting management talent- especially in small and mid-sized towns.
