  Minor
- **Official Program Curriculum:**
  catalog.ndsu.edu/undergraduate/program-curriculum/equine-assisted-activities-therapies/ (http://catalog.ndsu.edu/undergraduate/program-curriculum/equine-assisted-activities-therapies/)

The Equine Assisted Activities & Therapies (EAAT) minor offers students from any major who possess basic horsemanship skills an opportunity to pursue their therapeutic riding instructor or equine specialist certification. This 18-credit experiential learning program focuses on concepts and theories in the EAAT field, equine management, human development, precautions and contraindications of disabilities, and application of the skills needed to become a therapeutic riding instructor or equine specialist.
