Sample Program Guide

IMPORTANT DISCLAIMER: This guide is not an official curriculum. This guide is a sample four-year degree plan of how students might plan this major with other degree requirements to complete their education in four years. Student plans will vary from this sample due to a variety of factors, such as, but not limited to, start year, education goals, transfer credit, and course availability. To ensure proper degree completion, enrolled students should utilize Degree Map (<https://www.ndsu.edu/registrar/degreemap/>) and Schedule Planner (<https://www.ndsu.edu/onestop/degree-map-and-planning/>) in Campus Connection and consult regularly with academic advisors to ensure graduation requirements are being met.

Total Credits: 120

1

MATH 103 is a prerequisite for STAT 330. If not needed due to placement scores or transfer, student will need 3 credits of free electives.

2

Students in the standard option must declare and complete a minor program of study form. Minors can be declared with the assistance of an academic advisor. Declaration forms must be officially declared with the Office of Registration and Records.
