Pharmacy

Department Information

• Department Location:
  123 Sudro Hall
• Department Phone:
  701-231-7456
• Department Web Site:
  www.ndsu.edu/pharmacy/ (http://www.ndsu.edu/pharmacy/)
• Credential Offered:
  B.S., Pharm.D.
• Sample Program Guide:
  catalog.ndsu.edu/programs-study/undergraduate/pharmacy/ (http://catalog.ndsu.edu/programs-study/undergraduate/pharmacy/)

Major Requirements

Major: Pharmaceutical Sciences (Includes Pre-Pharmacy) Requirements

Degree Type: B.S.
Minimum Degree Credits to Graduate: 127-136

University General Education Requirements

Total Credits 39

* May be satisfied by completing courses in another General Education category.
† General education courses may be used to satisfy requirements for both general education and the major, minor, and program emphases, where applicable. Students should carefully review major requirements to determine if specific courses can also satisfy these general education categories.

A list of university approved general education courses and administrative policies are available here (http://catalog.ndsu.edu/academic-policies/undergraduate-policies/general-education/#gencoursenotestext).

Pre-Pharmacy Requirements

DEGREE NOTES:

• Student admitted to the Pharm.D. program will earn a Bachelor of Science Degree with a major in Pharmaceutical Sciences with successful completion of all courses through the second year of the professional Pharm.D. program as well as undergraduate graduation requirements including general education.

• Selected Core Courses - see information below for grading and GPA information.

**Professional Pharmacy P1 & P2 Years** 72-76

1 Curricular plan based on traditional admissions path or early acceptance path. Consult adviser for additional information.

**Selected Core Courses**

Selected core courses will be used for selection criteria to determine GPA used in calculation for admission to the professional program. These courses must show evidence of letter grade, or other means of demonstrating acceptable competency (i.e. AP – CEEB) and MUST be completed by the end of fall semester prior to the admissions deadline to apply to the pharmacy program. Remaining courses, which are required and listed in the pre-pharmacy curriculum, MUST be completed by the end of spring term. The only exception to this is that up to six credits of electives may be completed during the summer term.

**Pre-Professional Pharmacy Requirements and Notes**

- All courses listed for pre-pharmacy must be complete in order to apply for the professional program in the last spring semester in which pre-requisite courses are taken.
Degree Requirements and Notes

- All required courses must be completed with a grade of ‘C’ or above.
- All students must maintain a semester GPA of 2.0 or above for each semester in the College. A student who fails to meet this standard for two successive or three non-successive semesters may be terminated from enrollment in the College of Health Professions.
